

DEWAN PUBLIC SCHOOL INTERNATIONAL MEERUT

RIPPLES

Vol.3

Month:-August-September 2018

From the desk of
Head Mistress

It gives me an immense pleasure to present to you the third edition of '**RIPPLES**', the monthly newsletter of this session. School and home must work together to build skills and knowledge, reinforce values, and develop a strong sense of self worth among students. It is an integrated multidisciplinary institution providing a varied arena for the students to showcase their academic and co-curricular talents. At school, we relish to empower our nation's most valuable resource - our children.

Sushma Goel

Education is the most powerful
weapon which you can use to
change the world.

Best Performer and Achievers of the Month

<u>Class</u>	<u>Best Performer</u>	<u>Achievers</u>
I Carnation	<i>Paramveer Singh</i>	<i>Ananya Bhardwaj</i>
I Aster	<i>Snchit Phugat</i>	<i>Arnav Thakur</i>
I Daisy	<i>Ranveer Malhotra</i>	<i>Pranavi Pal</i>
II Carnation	<i>Manya Singh</i>	<i>Jayesh Jain</i>
II Aster	<i>Aradhya Singhal</i>	<i>Yuvika Sharma</i>
II Daisy	<i>Hitanshi Kumar</i>	<i>Gagan Chaudhry</i>
III A	<i>Barbie Singh</i>	<i>Ayan Khan</i>
III B	<i>Shreya Kansal</i>	<i>Raunak Bansal</i>
III C	<i>Abhinav Rana</i>	<i>Dirgansh Kaushik</i>
III D	<i>Gauri Gupta</i>	<i>Yashaswi Kumar</i>

The strongest factor
for success is
self-esteem: Believing
you can do it, believing
you deserve it, believing
you will get it.

*Achievers are the students who showed a
continuous improvement in their performance
in the class during the month.*

Independence Day

India got its freedom from British Rule on 15 August 1947. Hence we celebrate our Independence Day on 15th of August every year. This day inspires us to follow the teachings of peace and non-violence that was preached by Mahatma Gandhi.

72nd Independence Day was celebrated on the campus with patriotic fervour. The Principal of the school unfurled the flag. There after there was the cultural program began which included march past, dance, speech, quiz, martial arts and much more. It was enjoyed by one and all present there. The program was followed by the speech of the school Principal Ms Ruchi Sharma. In the end sweets were distributed to all.

Raksha Bandhan

Raksha Bandhan is the festival of bond between a brother and a sister. Sisters tie a thread of love on the wrist of their brothers. In our school the students made lovely Rakhis in the competition held on August 23, 2018. All of them participated and enjoyed. Children showed their creativity & talent in designing rakhis. Raksha Bandhan reinforces the love between brother & sister and helps to build healthy family relationships.

Janamashtmi

Janamashtmi is one of the favourite festival of kids as the birth of Lord Krishna is celebrated on this day. Special assembly was conducted on September 01, 2018 on the campus. A bhajan was sung & some shlokas from our Holy book 'Gita' were recited in the assembly. The teacher had a talk on the life of Lord Krishna. A jhanki displayed depicted the birth of Lord Krishna. Teachers narrated the story of the birth of Lord Krishna through Jhanki. Children enjoyed in breaking the matki -the most favourite act of Lord Krishna.

School Exhibition: 'Edu Vision'

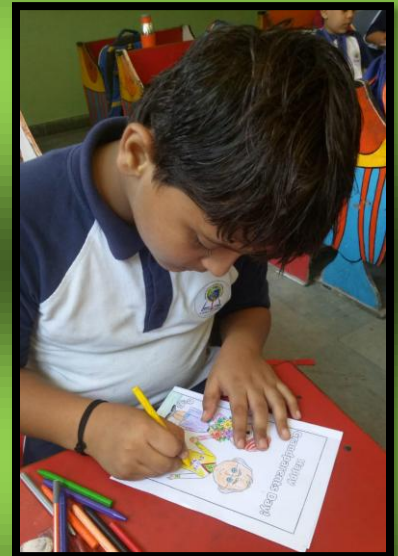

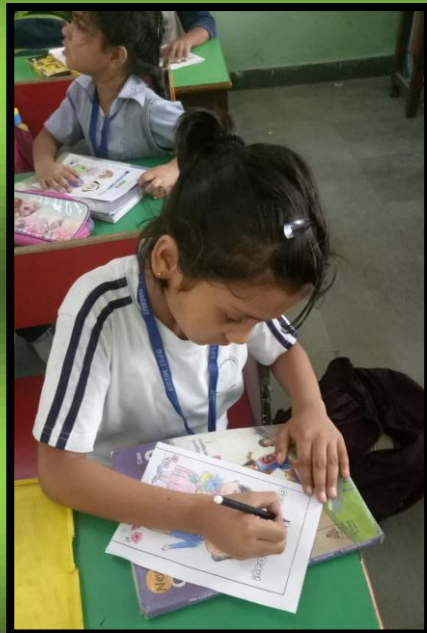

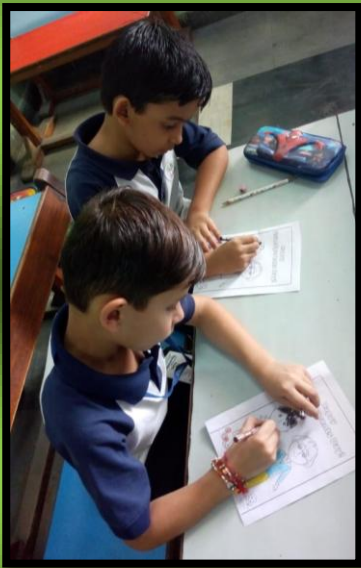

DPSI organised an Educational Exhibition entitled 'Edu-Vision' on August 30, 2018. The exhibits from all subject departments were displayed at the respective venues. The exhibition aimed at providing a common platform to various students to exhibit their innovative ideas. Even the children of Elementary section and primary section participated enthusiastically in the exhibition. Students of class Pre-Nursey to Class five participated in 'Jodo Gyan' activities. Jodo Gyan is a 'Skill and Concept Development' Program based on NCERT guidelines which helps the students to practice and clear their concepts in Mathematics. It helps in all basic concepts like addition, subtraction, multiplication, division, fractions, skip counting etc. Children enjoyed a lot in doing and explaining these activities in the exhibition.

Grand Parents' Day

Grand parents are the oldest members of a family. They are among the most influential & important persons in everyone's life. They are those people who care for us selflessly and love unconditionally.

A small activity was conducted for students to draw out their feelings for their grand parents. They made colourful cards and wrote their feelings for their grandparents in the cards.

ACADEMIC EXCELLENCE

ENGLISH

CLASS I

Students learnt and understood the topic blends (st , sm , sl), diagraphs (sh , ch , th) and paragraph writing on " MY FAMILY" & " MY BIRTHDAY" . They did activity on My Family on August 20, 2018. In this activity the students made family album. They showed their creative skills. This activity helped children to remember the good times and will cherish the memories in their hearts. All the students participated in this activity very enthusiastically.

CLASS II

Students comprehended the Chapter "Helping and Sharing" the teacher made them familiar with the importance of friends in the life and also to develop the feeling of brotherhood and cooperation among the peer group.

The students also learnt and understood the topics "Punctuation, Pronoun, Gender, Picture Composition and Paragraph Writing" to improve their language and writing skills.

An Activity was conducted on punctuation on August 13, 2018. Students learnt about the correct use of punctuation marks .

CLASS III

The students comprehended the chapter "How the Demon was Defeated." by discussion, reading, explanation and enactment. This chapter inculcated the feeling of courage in them. In grammar the children learnt about 'The Use of Pronoun , writing Informal Letter

& Comprehension'. These concepts helped the students to write in the correct format.

An activity on comprehension was conducted on August 23, 2018.

This activity improved their vocabulary writing skills.

HINDI

CLASS I

In the month of August students learnt about the उ, ऊ की मात्रा. They learnt to read and write words, colours name, fruits name & rhymes with these *matras*.

An activity was conducted on fruits name on August 13, 2018.

Students were asked to write the name of the fruits & to colour them. They were asked to read the words aloud that they had written for emphasizing on pronunciation. This activity boosted up their confidence in reading, colour concept and writing.

CLASS II

In the month of August students comprehended a chapter and a poem of their reader-"Rangoli". They understood the chapters through discussions, reading, explanation and written work. The teacher emphasized on their reading skills. They did difficult words,

question answers and other exercises of the book. In Hindi grammar they did singular/plural and how to use them correctly. They did the activity on the same topic. The students were asked to write the name of the pictures according to the number. This activity enhanced their thinking skill, writing skill and their confidence.

CLASS III

In the month of August the students comprehended one chapter and a rhyme of their reader-"Rangoli". They understood the chapters through discussions, reading, explanation and written work. In grammar they learnt about Gender, picture composition and comprehension.

On August 18 an activity was conducted on Gender. A worksheet was provided to them and the children were asked to write the correct word. This improved their thinking & writing skills.

MATHS

CLASS I

Students learnt and understood the topics -Concept of 'Ones and Tens', 'Smallest and Biggest numbers' and 'Dodging Tables' (2-8). They did activity on 'Ones and Tens' which was conducted on August 31, 2018. In this activity students placed the numbers under 'Ones' and 'Tens' with the help of flash cards. All the students took part in this activity enthusiastically and with great interest.

CLASS II

Students understood the topics- Roman Numbers, Subtraction, Multiplication Tables, Solid Shapes, Expanded Form and Short Form in this month. They did an activity on '**Roman Numbers**' on August 20, 2018. In this activity students used toothpicks/matchsticks to make different Roman Numbers on the pastel sheets. This activity made them aware about how to write the different numbers in roman language.

CLASS III

Students learnt and understood the concept of money. Students were able to understand about the use of Indian currency. They also learnt to convert rupees into paise & vice versa. Activity on 'Pasting of Currency' was held on August 4, 2018. Through this activity students were able to learn about the different type of notes and coins used in our country.

EVS

CLASS I

Students learnt and understood the lesson- 'My School', 'Neighbourhood' in the month of August and September. They did an activity of drawing the things that they see on the school campus. The students coloured the pictures they had drawn. This activity was conducted on August 13, 2018. This activity enhanced their vision and creative skill.

CLASS II

In the month of August the students understood the chapters "My School", "People who help us" & "Time talk". In these topics students learnt about their school and the helpers who help us in different ways. They were made aware about the concept of time and calendar.

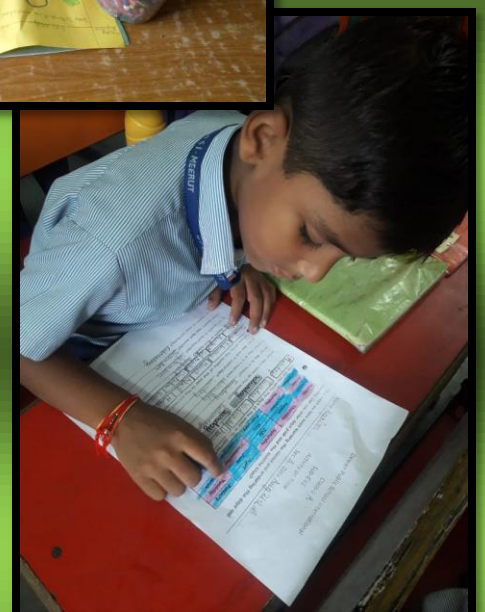

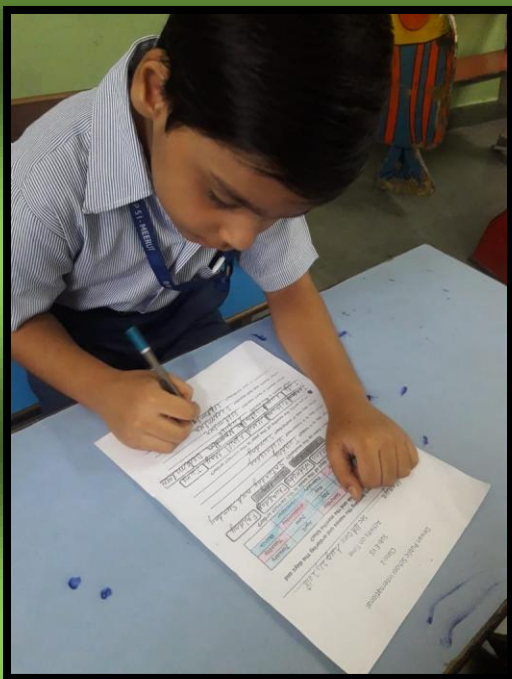

Activity on time was conducted on August 24, 2018. In this activity students solved the given worksheet on "Time" with the help of teacher. By this activity teacher made them aware about months of the year, days of the week and how to look and tell the time from the clock.

CLASS III

Class III students learn about the different types of beaks and claws of some birds.

A clue box activity was conducted on August 20, 2018 in class 3 on the topic Beaks & claws of the birds. A worksheet was given to students and they were asked to identify the beaks and claws of different birds with the help of clue box.

The students enjoyed a lot and got familiar with the different types of beaks and claws of birds. This activity helped them in recognition and identifying the beaks and claws of birds.

COMPUTER

CLASS I

Objective- To make students aware about the mouse pointers.

Activity- A computer based activity was conducted on **August 27, 2018** with the title 'Different Mouse Pointers'. In this activity students learnt about the shape of various pointers and working of pointers of mouse such as click, double click, scrolling scroll wheel.

CLASS II

Objective -To make students aware about the functions of mouse..

Activity- An activity on 'Functions of mouse' conducted on **August 24, 2018**. In this activity students learnt about the functions of a mouse like clicking, double click, drag and drop and scrolling.

Activity - An activity on "Type a letter to your mother "was conducted on **August 11, 2018**. In this activity students learnt about creating a document, typing text, saving and closing a document.

ART/CRAFT

Creativity is the use of imagination or original ideas to create something new. Creativity is characterized by the ability to perceive the world in new ways, to find hidden patterns, to make connections between seemingly unrelated phenomena and to generate solutions. Creativity involves processing, innovating and thinking. Students of all classes enjoy their Art & Craft period

GAMES & SPORTS

Sports are very important in every walk of life. They help to build a good physique. They also make children mentally alert and physically strong. Games and sports are good diversions and give energy to learn their lessons well. Students of Dewan Public School International are involved in sports & games activities on regular basis.
