OCTOBER

# From the Co-ordinators' Desk

Just as the mud on a rainy day is so soft that it can be molded in any way, so are the children who enter an institution to learn. Molding and forming the true character of a child is the prime responsibility of each teacher here at DPSI. Each one of us tries to bring forth the best in each child not only academically but also in extra curricular activities.

Our aim is to provide quality education that brings to prepare children for their future, as citizens of rapidly changing and dynamic world.

**“Education is not the learning of facts,  
but the training of mind to think”**

### कक्षा—चार

उपविषय— छठ पूजा

क्रियाकलाप—भारत के प्रमुख त्योहारों की सचित्र सूची बनाना।

उद्देश्य—छात्रों को भारत के विभिन्न क्षेत्रों के त्योहारों से अवगत कराकर उनमें एकता की भावना का विकास करना।

दीवान पब्लिक स्कूल इंटरनेशनल में अक्टूबर 2018 को कक्षा चार के विद्यार्थियों के लिए 'भारत के प्रमुख त्योहारों की सचित्र सूची बनाना' क्रियाकलाप का आयोजन किया गया। क्रियाकलाप का तरीका व प्रयोग की जाने वाली

सामग्री की पूर्व जानकारी बच्चों को दी गई।

इस क्रियाकलाप में नेट के द्वारा बच्चे अनेक नए-नए त्योहारों से परिचित हुए। क्रियाकलाप के प्रति बच्चों का उत्साह देखने योग्य था। सभी बच्चों ने त्योहारों के नाम स्वच्छता से लिखे व उनके सुन्दर चित्र लगाए। सभी ने मिलकर क्रियाकलाप को सफलता से पूर्ण किया।

विषय ज्ञान, स्वच्छता व वर्तनी शुद्धता के आधार पर क्रियाकलाप का मूल्यांकन किया गया।

## कक्षा—पाँच

उपविषय—क्रिया

क्रियाकलाप—कार्डस में से क्रिया शब्द छाँटकर वाक्य—निर्माण

उद्देश्य—छात्रों को नवीन क्रिया शब्दों व क्रियाभेद का ज्ञान प्रदान करना

दीवान पब्लिक स्कूल इंटरनेशनल में कक्षा पाँच के विद्यार्थियों के लिए 'क्रिया शब्द वाला कार्ड छाँटकर उस पर वाक्य निर्माण' क्रियाकलाप का आयोजन किया गया।

इस क्रियाकलाप के द्वारा बच्चे नवीन क्रिया शब्दों व क्रिया भेदों से परिचित हुए। उनके नवीन शब्दों पर वाक्य निर्माण के ज्ञान में भी वृद्धि हुई।

सभी बच्चों ने क्रियाकलाप में विशेष रुचि दिखाते हुए उसे सफलता से पूर्ण किया।

विषय ज्ञान, स्पष्टता व उच्चारण के आधार पर क्रियाकलाप का मूल्यांकन किया गया।

## Sanskrit

### कक्षा—पाँच

क्रिया कलाप— व्याकरण प्रश्नोत्तरी

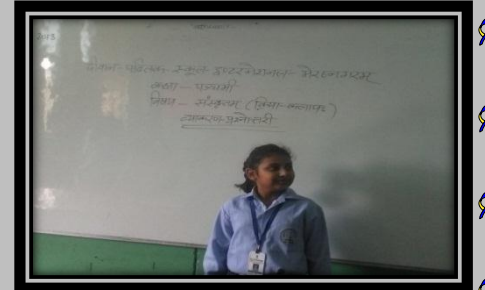

दीवान पब्लिक स्कूल इंटरनेशनल, मेरठ में कक्षा—पञ्चमी के छात्र—छात्राओं को अक्टूबर 2018 में संस्कृत विषयान्तर्गत 'व्याकरण प्रश्नोत्तरी' क्रिया-कलाप कराया गया। जिसमें छात्र—छात्राओं ने उत्साहपूर्वक भाग लिया तथा छात्र—छात्राओं का व्याकरणिक बोध और आत्मबल बढ़ा।

क्रिया-कलाप का मुख्य उद्देश्य छात्र—छात्राओं में भाषा के व्याकरणिक ज्ञान की वृद्धि और भाषात्मक परिष्कार कराना रहा। इससे छात्र—छात्राओं में बुद्धि कौशल का विकास हुआ।

क्रिया-कलाप का मूल्यांकन निम्न बिन्दुओं के आधार पर किया गया।

- ❖ प्रस्तुतिकरणम्।
- ❖ शुद्धोच्चारणार्थम्।
- ❖ आत्मबलम्।

इस प्रकार क्रिया-कलाप पूर्ण हुआ।

# SCIENCE

**Class : V**

Topic-Measurement

Activity - Conversion of different units of length , mass ,capacity, time and temperature

Objective-To reinforce the mathematical concept

The activity related to conversion of units was conducted in the class by providing the students with the worksheets. The activity reinforced their mathematical concepts in a fun and an interactive way. The aim of the activity was to test the understanding and recalling power of the students. Students were asked to do the given question based on conversion.

Overall this activity was very interesting for the students. It reinforced and motivated them a lot.

## Class IV

Topic- Circulatory System & Excretory system

Activity-To identify and label the organs of excretory system

Objective-To make the students aware of the function of each organ of excretory system.

An activity related to excretory system was conducted in the class by providing worksheet to the students. The aim of the activity was to test the understanding and recalling power of the students. Students were able to identify all the organs of the excretory system and their positions. Children also coloured the picture and they were happy to do the same.

Overall this activity was very interesting for the students. It reinforced and motivated them a lot.

## **Social Science**

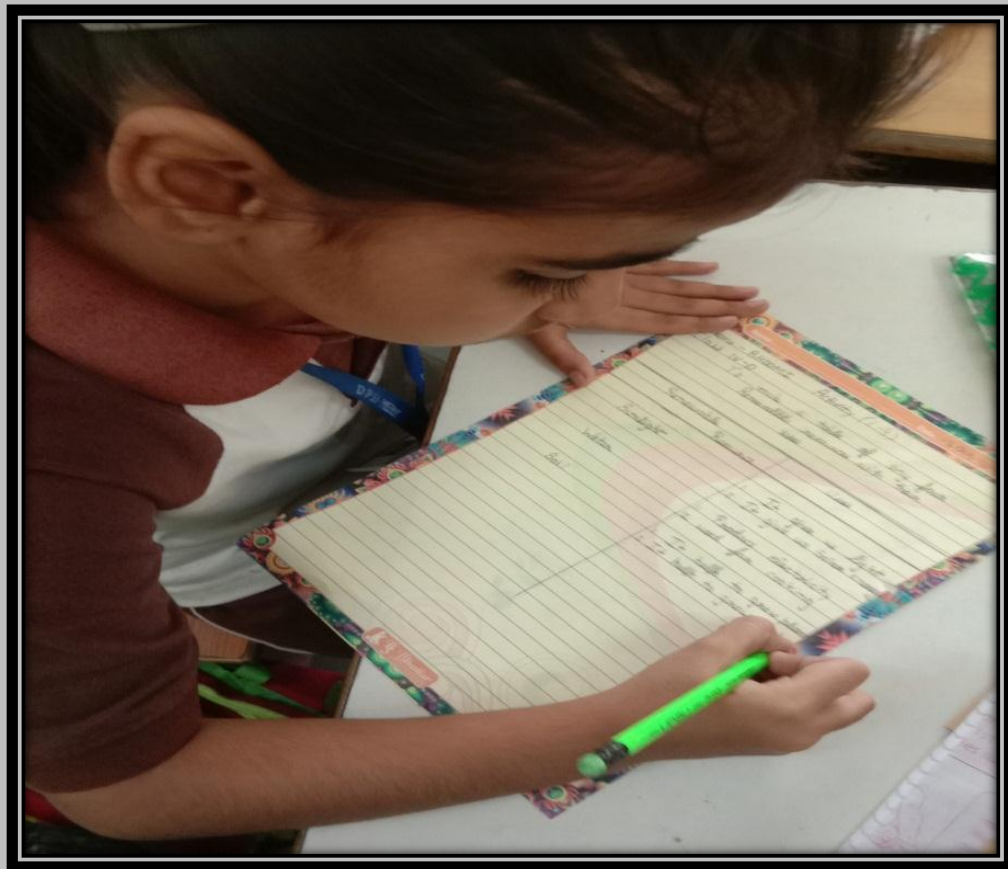

**Class : IV**

**Topic-Renewable Resource**

**Activity- Natural Resources**

**Objective- To make the students aware of Natural Resources.**

An activity on Natural Resources was conducted in class IV to make students acquaint with Renewable and Non-renewable resources. Children were asked to make a table of renewable resources with their uses. Through this activity children were able to understand the importance of these resources in their life.

## Class V

### Activity- Map activity on Desert of the World

#### Topic-Desert of the World

#### Objective- To make the students aware of Desert of the World

An activity, based on “Desert of the world” was conducted for the students of class V.

Students labeled and marked the various deserts of the world in the physical map of the world. The motive of this activity was to make them aware of the location of various deserts of the world. They participated actively in this activity.

# Maths

Class – IV

Topic Covered -Money

Activity-Conversation between shopkeeper and customer

Objective –Making different combination for a given amount through Jodo Gyan.

This activity was held on October 11,2018 in class IV.

In this activity, playing money kit was used as a learning tool. There were different notes and coins in that kit .Two Students played at a time. In this activity one child played the role of a shopkeeper and the other as a customer (as shown in pics).

They learnt addition and subtraction of money through this activity.

## Class V

### Topics covered: Multiplication of Decimals

#### Objective: To explain the concept of multiplication of decimals

An activity related to Multiplication of Decimals was conducted in class by using squared paper.

This activity reinforced their mathematical concepts in a fun and interactive way.

The aim of the activity was to test the recalling power of students. The Students were asked to do the given questions based on multiplication of decimals.

The product of the decimals was represented on a squared paper. Children chose different colours for representing different decimal numbers on the squared paper. The students enjoyed colouring.

They coloured the squares according to the first decimal number vertically. Then they coloured the squares horizontally. The intersection of both the colours was the product of the decimals.

Overall this activity was very interesting for the students. It reinforced and motivated them a lot. It increased their interest in decimals.

## English

### Class -V

Topic- Adverb

Activity-Worksheet on adverb

Objective- Students will be able to use adverb appropriately

An activity based on adverbs was conducted in class V, in which all the students participated with great interest.

The aim was to make the children aware of the meaning and the use of adverbs. Worksheets on adverb were given to the students to identify the adverbs in the sentences. The students were able to recognize the adverbs and to use them accordingly.

## Class-IV

Topic- Adverb

Activity-Writing paragraph using timeline of the activities

Objective- Students will be well-versed with adverbs

As we know that an adverb is a word that adds meaning to a verb, adjective or another adverb. With an aim to make the students well-versed with adverb an activity based on adverb of frequency was conducted for the students of class IV, wherein they made a timeline of their activities. As the activity was based on one adverb of frequency, they wrote paragraphs using words like always, sometimes, often and never etc.

All the students enjoyed it a lot as this activity gave them a chance to recall what they had learnt.

# Computer

## Class-IV

### Topic- Introducing MS PowerPoint 2010

An activity based on introduction of MS PowerPoint was performed in the computer lab. Students prepared a presentation on “Water Conservation” and used all multimedia elements like graphics, text, audio, video, animation to make it attractive. The Students participated in this activity very confidently.

## Class-V

### Topic-Formatting in MS PowerPoint

An activity based on formatting of MS PowerPoint was performed in computer lab. Students prepared a presentation on “Our Environment” and used different effects to format and edit text and change colour scheme to make it attractive and also showed presentation on different views. The students showed an active participation in the activity.

# French

## Class-V

### Activity-French Garment and Cultural clothes

In all the sections of class-V an activity on French garments and cultural clothes was held . The objective of this activity was to make the students aware of the French culture . The children learnt more about the french culture's decent dressing sense and fashionable dress also. It is a civilization part about the France. Fashion is more important part of this culture .As the activity was based on different clothes , the students enjoyed it a lot .
